Dear Ss. Peter and Paul Parishioners:

Due to the recently released COVID guidelines for the Celebration of Mass issued by Bishop Thomas John Paprocki, we have revised our requirements for the wearing of face masks and social distancing.

The following are the revised COVID guidelines that we ask you to follow:

- 1) Anyone who is fully vaccinated is not required to wear a face mask during Mass.
- 2) Anyone who prefers to continue to wear a face mask and social distance is free to do so.
- 3) If you are not fully vaccinated, including children, please practice six feet social distancing from individuals who are not in your household and wear a face mask except when receiving Holy Communion.
- 4) Even if vaccinated, please maintain a social distance of six feet from others who are wearing a mask.

Thank you for your continued support and welcome back to the “in-person” celebration of the Holy Eucharist.

With you in Christ,

Fr. John Beveridge
