THANK YOU!

A HUGE thank you to everyone who participated in the Palm Sunday Day of Service! Everyone did an incredible job helping to make a difference in our parish and community.

We had a team that helped out cleaning up our parish cemetery, a team that made twenty-five lap blankets and Easter cards for our homebound parishioners, two teams that helped some of our senior parishioners with spring yard work, a team that made and delivered supply bags for our local Blessing Boxes, and a very hard-working crew that pulled some weeds around our campus AND helped us clean out Manning Hall for what will soon be the new home of Magnify!

A special thank you to our small group leaders - Maggie Grotefendt, Tom and Laura O'Hara, Allie Pawlow, and Matt and Michele Wasser, as well as our many parent volunteers - Kelley Gaither, Linda Giovando, Lisa Muniz, Nereida Ramirez, Tammy Waligorski, and Shelly Webb for donating their afternoon to help us out. We couldn't have done it without you!

Like I said before the day started, service is often fun and fulfilling but we pray that, even when it isn't, that we would still have willing hearts and hands to do what needs to be done for the good of others.

JOIN US NEXT MONTH:

SUNDAY, APRIL 25 - 3:00 PM - 5:00 PM!
